We strongly believe that Watch will be the future of video games as we know them. Thank you. [url]

### Features Key:

Playable in 2D, 3D, and Oculus VR  
 Elden's Arcane Battle

- The classic action RPG combat. Easy in and easy out; but when you leave the task to the stomach, the story and characters stand before you.
- Elden's Repeat Action
  - You can equip all your weapons, and recreate your strategy and level up all over again
  - Solving puzzles
    - An enemy that is hidden behind a wall made of stone and cannot be seen? A lock that cannot be opened? A mysterious blue object that cannot be touched? Or could you be the future Lord of an Elden village and be able to solve these problems and unearth the truth of the story?
    - Become a Lord!
      - The fantasy action RPG WITH NO GAMESEQUEE!!! Become the mighty lord of an Elden village, and fight in the Arcane Battle! When the fog rises, discover these splendid places, and become the future lord...!

### GRAPHICS & AUDIO

Gorgeous and vivid graphics are your standard fare and the title even comes with a slider function for the quality. The jaunty style comic artwork is once again beautifully crafted. (Note: this program does not support touch screen devices and may not work on smartphones or iPads)

Featuring background music composed by the legendary Joe Hisaishi, the game opens up with a sweeping orchestral score. You'll always find a change when the background music starts, and it ends with a thrilling end credit theme.

Coming down the pipe are the new special effects and illustrations, some of which have never been seen anywhere before in an RPG. Check them out.

**What's new in Elden Ring:**

As the last king of Azakar, Sul tries to fight his son, Wang, off of the throne after the latter-born Sarim says a prophecy proclaimed that “the touch of evil will bring to ruin, the land of Azakar”. The Balrogic Demon-King, Maglora, is also present at the council in the form of a vampire, but he failed to bring about the disaster he intended. The world is split into three factions: “bloodies”, dark elves, and humans, and any alliance of these three groups will be opposed by both Maglora and any combination of his subordinates.

**EDEN ROAD STRONGS IN ADVANCEMENT OVER THE PREVIOUS ONE.** While retaining the gameplay systems of the previous title, the aim is to continue to refine and enhance all of those systems so as to make a game that players can enjoy from start to finish.

Since its release, the feedback from consumers has mainly focused on improving the “Online System”. Some of the key points of improvements include the following:

- The Online Function Can Be Used while in the Field or on Battle Point
- RNG (i.e., Random Number Generating) Has Been Changed such that Sudden Skillful Attacks are Now More Visible & Much Feasible
- More Vision Has Been Given to the “On-Line” Function of the Game
- The Function for Changing Colors has Been Installed Such that All the Items in Your Bag Can be Held on the Pieces of Equipment You Have

Rather than distribute these as patches, we will publish another new title update after the launch of the PlayStation 4 & Xbox One. This will contain all of the changes and adjustments we have made, and you will be able to enjoy the game in all of its glory. Please take as much time as you need to check it over before giving us your feedback.
