Quotations are generated in under 5 seconds, and orders are placed in less than 10 seconds. And, it's easier than ever to work with the QuoteWerks system. A system powered by the QuoteWerks software development kit (SDK), the engine of QuoteWerks is developed in .NET, XML, and COM. The SDK allows developers to access the QuoteWerks engine from .NET, HTML, Java, and VB.NET. The SDK includes a set of business objects. The business objects are integrated into the QuoteWerks engine using .NET Framework technology. This SDK allows you to run the QuoteWerks engine in the Microsoft .NET Compact Framework, a popular version of the .NET Framework. The SDK for the QuoteWerks engine is part of the QuoteWerks Enterprise Edition. The SDK is free to all customers. This SDK is not part of the QuoteWerks Standard or Professional Editions. The SDK is released as part of the QuoteWerks Enterprise Edition.
