Epub Windows XP - Baidu PC Games Download driver: Windows 7 - Windows 8 - Windows 8.1 - Windows 10. with a slight acceleration, the film pushes the outer boundary of what I would consider to be the "watermark of cinema". In 3D the image quality is excellent, and in DTS-HD Master Audio the sound quality is perfect for a sound track that has nothing to prove. Throw in excellent subtitles for 70% of the dialogue and it's pretty tough to go wrong here. Extras are few and far between, with two behind the scenes featurettes, three trailers and a run-down of some of the history and trivia about the film. Overall 'The Chronicles of Riddick' is a great example of a formula that works fantastically, and the story, atmosphere and production values are world class. The 3D and DTS-HD Master Audio are as flawless as they have ever been and the transfer job is one of the best I have seen. This is a fantastic Blu-ray, and while it's easy to pick nits, I wouldn't recommend it unless you want to get on board this fantastic franchise. * NOTE
